Fall 2025

“Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God.”

1 John 4:7

Mission: Supporting and empowering the Reformed community in providing Christ-centered, holistic care to our aged and infirm through a Christian care-home.

Moving Forward with Joy and Gratitude

We are thankful to share that BeLoved Care has reached an exciting new stage in our journey. After much planning, revising, and prayerful consideration, we are ready to reveal the finalized design and proposed capital costs for the care home that, Lord willing, will be built in Coaldale.

This design is the result of many months of work, including input from tours of existing care homes, feedback from stakeholders, and conversations with potential residents. It has also

been reviewed and approved by Alberta Health Services’ public health and infection control professionals. The result is a design we believe will be both functional and beautiful—affordable yet durable, and most importantly, a true home where comfort and dignity are never sacrificed.

At the heart of this project is our commitment to **providing care that is rooted in the love of Christ**. We believe that growing older or requiring greater support should never mean losing the blessing of living in an

environment where faith is nurtured and Christian values shape daily life.

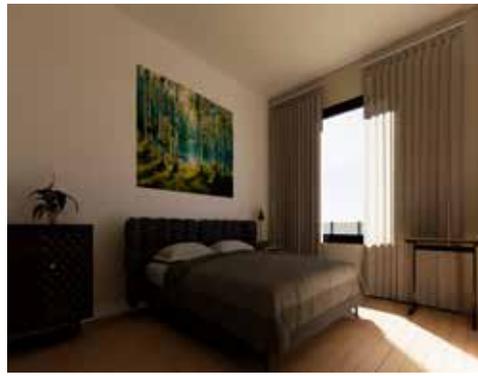

We’re delighted to share some of these details with you in this newsletter, and even more at a special Campaign Launch Event on Saturday, November 15 at 2:00 p.m. at the Coaldale Christian School gym. You’ll have the chance to hear more about the project, view the design plans, ask questions, and enjoy refreshments together. Bring the whole family—we’d love to see you there!

Discover how you can be part of this important work!

Partner With Us Through Giving

Together, we can build lasting impact in our community.

As we take this exciting next step toward building BeLoved Care Home, we cannot do it without the support of our community—and above all, without the Lord’s blessing. Scripture reminds us that “Unless the Lord builds the house, those who build it labor in vain” (Psalm 127:1). We ask you to join us in prayer, for without

God’s guiding hand, this work cannot be accomplished.

Along with your prayers, there are many ways you can contribute to help bring this vision to life. Every gift—big or small—brings us closer to providing a home where Christian care, comfort, and dignity are central.

Help Us Launch BeLoved Home Care

Providing Christ-centered care in the comfort of home

As we move forward with plans for the care home, we are also eager to begin providing Christian home care—support that allows our loved ones to remain in the comfort of their own homes while still receiving the care they need.

To make this possible, we are seeking a passionate and dedicated individual to join the BeLoved Care team and help get this ministry off the ground. This is a unique and meaningful opportunity to serve members of the communion of saints, offering compassionate, Christ-centered care in their daily lives.

So far, no one has applied, and we are prayerfully asking you to consider whether you—or someone you know—may be called to this work. Together, we can ensure that our elderly and vulnerable brothers and sisters receive the care they need in a way that honors both their dignity and their faith.

Support Statement

“The organization’s commitment to compassionate, community-rooted care reflects the spirit of service that defines many rural Albertan communities. By working in partnership with Alberta Health Services and the Government of Alberta, BeLoved Care has the potential to contribute significantly to the province’s continuing care landscape.”

Hon. Grant Hunter, MLA Taber-Warner

Support Statement

“BeLoved Care’s initiative—to provide faith-based, person-centered care for elderly and disabled individuals within the Reformed Christian community—addresses a critical gap in our continuing care system. Their model not only aligns with Alberta’s values of dignity, respect and inclusion, but also offers families the opportunity to choose care that reflects their spiritual and cultural beliefs.”

Nathan Neudorf, MLA Lethbridge East
